Program Advisory Team Expectations and Purpose:

- Provide educators with practical knowledge and experience to enhance their classroom, specifically related to STEM
- Provide programs for researchers, entrepreneurs and business leaders to build businesses and advance their careers in the bioscience industries
- Provide classes, trainings, programs, internships and scholarships as a form of workforce recruitment and development
- Develop awareness of the bioscience industry by providing an understanding of STEM workforce opportunities and the educational path to provide for career development
- Provide brainstorming ideas and contacts for fundraising efforts
- Program Advisory Teams: Research Experience for Teachers (RET) Advisory Team; Mentor & Higher Education Advisory Team; Fundraising Advisory Team; Workforce Training Advisory Team

How to Get Involved:

If you are interested in joining the Education Committee, please contact Meg John, Vice President, at mjohn@cobioscience.com or 303-749-0078.

Meeting Schedule:

The Education Committee meets three times per year, based on timing and implementation of strategic goals and initiatives.
